PARAJE MARÍN

(estate wine)

The area called **Estrecho de Marín**, where the Viña Elena bodega is located, lies in a valley flanked by two majestic mountains: Rajica de Enmedio in the east and Solana Sopalmo in the west. **This is DO Jumilla's warmest, driest region** and it's here where we strive and toil to produce **balanced, fresh grapes in a bid to steer clear of the age-old concept of over-ripeness.**

The vines used to make this wine are planted on both sides of the valley: **those in the east are subject to more shade and give**

the wine freshness, minerality and elegance, while those in the west are subject to more sunlight and give the wine the characteristic maturity and warmth of the Monastrell grape variety.

These **goblet-pruned vines**, which are planted using traditional distances of 2.8 x 2.8 m in **permeable, stony soils**, capture and retain precious moisture from the region's **scant rainfall** by **bedding their roots deep** into the fathomless soils in order to **survive periods of extreme drought.**

 DOP Jumilla

THE COLLECTION

This exceptional project is the personal brainchild of Elena Pacheco and Isio Ramos aimed at making **100% Monastrell wines from select DOP Jumilla vineyards.**

Using vineyard husbandry and winemaking techniques acquired from local viticulturists, they skilfully craft their wines to **reach their full expression with regard to microclimate, soil, location, and the age of the vines.**

CHARACTERISTICS	
Brand	Bruma del Estrecho de Marín / Paraje Marín
Appellation	D.O.P. Jumilla
Type	Unoaked but 7 months concrete ageing
Vintage	2022
Variety	100% Monastrell
Production	20,781 bottles
Alcohol	14.0 % by vol.

VINEYARD	
Name	Combination of different plots, located in the Marín Valley, southern sub-zone of the D.O.P. Jumilla.
Description	Dry-farmed, bush vines, hand harvested. All plots were planted in low density (2,70 x 2,70 m).
Altitude	380 - 400 m.a.s.l.
Age	The age of the vines vary from 15 to 35 years old
Soil	Limestone
Climate	Dry Mediterranean
Annual rainfall	235 L/m ² in 2022

PRODUCTION	
Harvest	September 2022, hand harvested
Vinification	Fermented in stainless steel vat at temperature controlled of 24-26 °C using natural yeasts. Malolactic fermentation in concrete vat and ageing in concrete during 7 months. Not fined and not cold stabilized. Tangencial and amicrobic filtration (3 & 1-µm)
Bottling	April 2023

TASTING	
Serving temperature	15°-18°C
Color	Medium intensity, ruby color
Aroma	Elegant with notes of red berries and mediterranean herbs.
Palate	On the palate, the weight, the silkiness and the flavours make the wine superior in its range. Paraje Marín is a terroir-driven Monastrell with a great character and reflects really well its origin, the Marín Valley, southern part of the appellation.
Food pairing	Great wine for <i>tapas</i> , sushi, grilled salmon, baked cod with tomato sauce, risotto, <i>Arroz y conejo</i> and white meats. Also, excellent wine to pair with thai, cantonese and italian cuisine.
